

Willow Tree® Figurines by Demdaco

The Willow Tree® Story is very interesting. Willow Tree® figurines express a feeling, or capture a moment in time. You will love to give them as gifts when you want to ‘mark a memory’ or ‘represent an emotion’.

J&L has an excellent selection of Willow Tree® Figurines, Nativities, and Angels. Please stop by to see these unique decorations and gift ideas. There is a perfect one for that special person in your life.

“I try to keep the interpretation of Willow Tree open. I hope this makes it more personal, and allows the viewer to decide its meaning.” Susan Lordi
